

## FINANCE COMMITTEE - August 2022

As we are moving into the second quarter of the year I wanted to re iterate some of the changes that took place at our last meeting. New membership applications are now available, showing the change in our membership fees. *1. Eliminating the 3 year membership 2. Reducing Life Membership to \$100 for all ages 3. Offering a payment plan for Life Membership. (VVA Dual Membership did not change, still remains at \$50.00).* Refunds for those that paid the higher Life Membership rate after January 1, 2022 have been sent out as of 5/15. Other changes are outlined in Board minutes.

All Incorporated Chapters and States have filed their financials and 990's, with the exception of a few.

Current budget figures are in check. With the increase in just about everything, the finance committee will review expenses after Leadership Conference and report accordingly. I will be available for any questions or concerns. A financial statement will be distributed at the annual membership meeting in Greenville, SC.

A few reminders: Mileage rate is up to 62.5 cents per mil. Reimbursement request must be turned in within 30 days after completion of travel. Advance funds for travel must be requested 14 days in advance.

Regards,  
Susan Price  
National Finance Chair
