The Spousal and Survivor Benefit Committee goals are still in place even though we have not had an opportunity to meet for a while. Recently, I have been preparing for our Leadership Conference in Greenville, SC. Our program is one of many chosen to be highlighted at our conference this year. I have been working on the power point presentation when there will be approximately 10-15 minutes to share. The bullet point topics are as follows:

- Goal - To Educate
- Overview – Seminar Outline
- Preparation – How To Prepare and Conduct the Seminar
- Examples – Giving an example

I have sent Sharon Hobbs my notes on each topic and she has approved what I have submitted. Now to study my notes so that my delivery is professional. We will all have a question-and-answer period afterwards where I must be prepared to respond.

It was suggested that we hand out a favor about 50 count to the audience, which will be distributed while I am speaking. The theme I chose for S&SB is Patriotism. Each of our Spouses and Survivors are this Nation's true Patriots and each guest will receive an American Flag keychain inside a decorative bag.

I look forward to seeing most of you there. Jean Kloos will be holding down the fort for our Chapter 805 here in Oregon, as Ruth and I will be attending the conference during our Douglas County Fair. Safe travels everyone and I hope all goes exceptionally well.

Jennifer Ellis
