

# Website Committee Report

---

July 2022

This spring and summer the website has been updated with policy changes which came from the Board of Directors, and general leadership conference information. There have also been some additions of chapter and state photos and events.

The website is updated at the request of the AVVA board, with the exception of state and chapter event information that is approved to come directly from our membership. If you have any upcoming events that you think would be interesting to your surrounding areas, please send the information directly to [avvajh@cox.net](mailto:avvajh@cox.net) so that it can be added to our events page.

We will be updating the contact information for newly elected State and Chapter Presidents and Representatives as soon as we receive the election information, most likely late in August. Please check back then.

Our face-book page can be found at: <https://www.facebook.com/AssociatesofVi1>

Please visit the website often. It has much information in all areas about us. It can save you much time and frustration when you use it regularly.

AVVA National is looking for a person who would be willing to volunteer just 4 or 5 hours per **month** to make additions, upload new information, take out old information, or just generally help with the workings of the site. They would have to understand custom software like Dreamweaver or similar, that require FTP Transfer software to “talk” back and forth between the website files and the server. If you are interested in discussing volunteering for this, please email me at: [avvajh@cox.net](mailto:avvajh@cox.net) We can talk about what you may or may not need to know, etc. and how we could share webmaster duties.

As always, if you do not find something you wish was there, please contact me and we can see what we can do.

Respectfully submitted,

AVVA National Website Committee Chair
