

National Treasurer Report, October 2025

At the AVVA National Convention in August 2025, I was elected National Treasurer. Since then, I have viewed Reimbursement Forms of Region Directors, Committee Chairs, and National Officers, as well as several invoices. I have looked at individual budgets to be aware that those requests for reimbursements were included in the budgets. I questioned one of them, and consulted with Sharon Hobbs, National President. Following approval of our National President, I have then requested processing by the Payables process. The Reimbursement forms to be used have been changed to reflect my email and Treasurer information.

I have a lot to learn and expect to spend time at the National AVVA office with the Payroll Department, as well as the other National Officers.

Respectfully submitted,

Joanne Blum, AVVA National Treasurer
