

AVVA TREASURER REPORT

JANUARY 2021

I hope everyone had a great holiday. I like, everyone else, is staying home trying to be safe.

I have participated in all Board meetings called by our president. Have been receiving and recording Vista hours that I have received from Susan H. The deadline for Vista hours is February 28.2021. The new timeline for submitting hours are from March 2021 to February 2022. I have reviewed the budget for 2022. Recently I have participated in two online meeting with the Finance Chair on preparing AVVA budget that will be submitted to the Board for approval. Also I have participated and host all of our chapter meetings and attended our Christmas Dinner. I have continued to approve invoices that were summited for payment. I have been researching new items to add for Product Sales in order to try to enhance our revenue.

As always I will be available to everyone if they need help with their budget or any questions on how to submit request for travel, advance payment or whatever their financial need might be.

Everyone stay safe.

Kathy Andras

AVVA Treasurer
