

## AVVA TREASURER REPORT

OCTOBER 2021

Since our last Board meeting I have continued to perform the duties of the National Treasurer. I have been in contact with the National Office reviewing and approving incoming invoices. Also I have reviewed all bank statements and our Budget to Actual. Meanwhile I have participated in all Board meetings called by our National President.

As the Treasurer I have been available to approve all expense & travel reimbursements. Also I assisted Board Members in preparation of their upcoming projected budget for the fiscal year.

It has been my honor and pleasure to have held this office as your National Treasurer for AVVA. It has been an extremely rewarding experience for the last six years. The knowledge that I have gained has been outstanding. I have enjoyed being of service to everyone both our general membership and our beloved veterans. For this I'm grateful!

I will be here to help and guide our new Treasurer in any way that they may need. Communication and team work is very important in our organization. As for now I'm looking forward in serving the membership as your next Vice President, I can assure the membership that I will always be there for our organization, I personally thank each and every one of you for this honor.
