

AVVA VICE PRESIDENT

BOARD REPORT 4-2022

I have participated in board and executive meetings. I have attended committees meetings on Toxic Exposure, Secondary PTSD and Spousal and Survivors Meetings on line. I am available to attend all committees meeting at any time.

I attended the La. Mid-Winter State Council meeting in February. At that time I shared information that I have learned by just sitting in on the above mention committees with the members at our AVVA meeting.

I had the honor of swearing in Texas AVVA State Council new officers at their meeting in April. Congratulations to the new board. Thank you to the past officers for your service to AVVA.

Kathy Andras

Vice President
