

Region 5

Greetings from Region 5! I've recently presented an AVVA Charter to Chapter 1083 in Port Huron, MI. Congratulations to Penny, Bobbie and everyone involved there to make this happen! I've also been in touch with our new Region 5 VVA Director. Looking forward to next term, each State president has been reached out to, and we will continue to be hands on and spread the word of our many programs.

Cordially,

Tony Gigli
