

I attended AVVA/VVA Florida State Council meeting in Lake Mary, FL on February 25-26, 2022. I spoke at their VVA meeting, discussing the history of AVVA and the importance of their becoming dual members. I passed out applications. At the AVVA meeting, I updated the group about happenings at Convention, as well as encouraged AVVA members to sign up their friends and partners.

VVA Chapter 1096 from Melbourne now has a new President, who is a great friend of AVVA. He and I have met and talk fairly frequently. We hope to get more dual members, and I hope to start an AVVA Chapter there.

Respectfully submitted,

Joanne Blum
