

Region 2 Report: 01/07/22

Convention 2021 was a great time visiting with

Old friends and meeting new friends.

My duties at the convention were Sargent of arms, Co - Chaired AVVA luncheon, set up, filled bags avva/vva, and facilitated the President and Representatives meeting.

It was an honor as Chaplain to bring everyone together in prayer and Thanksgiving.

Board meetings I attended at Convention and online board meetings with my new term as Region 2 Director.

President Sharon Hobbs appointed me as Incorporation Chair 2022-2023. I Nominated the Incorporation Committee for approval, and the Region 2 Disciplinary Committee.

As Incorporation Chair, I have been working closely with the bylaws chair and the Incorporation Committee, preparing the bylaws template for incorporated States and Chapters. The Template's was sent out on 01/09/22.

Flash notices, approved National By Laws were sent to Pa, NY, and New Jersey. (Region 2)

I will be working on the At-Large elections soon for Region 2.

I continue to reach out to Region 2 members and so enjoy corresponding with you.

Long term goals: To encourage more Chapters and States to become Incorporated.

Short term goals: always keeping our members motivated and receive feedback.

The success of our Region 2 is very important to me and I'm always available.
