

Region Three Director Quarterly Report

October 2021- January- 2022

With the new board in place and everyone assigned a position on the committees, it is time for the work to begin. A new year and a new view of things to come and work to do. The President assigned the job of Committee Chair for the Incarcerated Associates to me. I have not been to one of the classes in the last four years, but I will be attending those for the coming years and learning my new job skills. This quarter I have accomplished the following things:

- Read the duties and responsibilities of the Chair for the Incarcerated Associates Committee.
- I have read the committee reports for the Incarcerated Associates.
- Made plans to familiarize myself with what needs of the incarcerated are and where I can start to help them.
- I will be making plans with Joanne Blum to make plans on what kind of actions that would be best to help the Incarcerated Associates.
- I made plans and traveled to Summerville, South Carolina and meet with a newly widowed Vietnam Veteran's wife to find out what if anything would help those that are going through losing their spouse. She gave me several ideas that were greatly appreciated.
- Submitted my Region Three Budget for the coming year.

I am looking forward to the Board of Director's Meeting next week and the classes that I will be able to take. I look forward to the next two years and what they will bring.
