

Since convention, I have kept in touch with the FL State President (now, also the Deputy Region 4 Director), and FL Chapter Reps. I have been cultivating a relationship with the Chapter 671 Rep. from Georgia. I had arranged to have sent to her some Agent Orange pamphlets as well as AVVA Membership applications, which she had requested. She is also on the Region 4 Disciplinary Committee.

I have been in touch with the VVA Florida State President, and have had several email conversations with the VVA Region 4 Director. In conjunction with the Region Director, I hope to be able to make connections with AVVA in Alabama and Mississippi.

I am also working with VVA Chapter 1096 from Melbourne to increase AVVA membership in that group.

I have also requested the 3 members of the Region 4 Disciplinary Committee to process their confidentiality form.

I plan to attend the Florida State Council meeting in February. I hope to promote communication within the Region as well as with other AVVA Region Directors.

Respectfully submitted,

Joanne Blum

AVVA Region 4 Director
