

REGION 5
4TH QUARTER REPORT
OCT – DEC 2020

I am currently composing a newsletter for Region 5. The first letter had election info and garnered a few responses. I plan to have a few photo's in this issue that were submitted and a story about our Associate of the Year, Holly Tookolo from Indiana.

I have participated in a few on-line board meetings. There hasn't been much happening as far as live meetings go. I did volunteer my services to John Riling, VVA Region 5 Director, to assist with the pre-convention conference. This year it will be held in Michigan (governor cooperation). I plan to block out some time for AVVA attendees to discuss convention issues.

Again, I apologize for the lack of activities in Region 5. My health prevents me from doing too much but I am hopeful for improvement soon.

Respectfully submitted,
Don Jones
