

REGION 5
2ND QUARTER REPORT
APRIL – JUNE 2020

I have been trying to compile an Email list for Region 5.

I plan to try and contact EVERYONE with an email listed on the current roster.

Buckeye State Council will be holding a one-day convention / membership meeting on July 18th, which I will be running for state representative.

I have been in contact with John Riling, VVA Region 5 Director. He was going to attend the BSC convention along with VVA Vice President Tom Burke but VVA National is having their online meeting the same day.

I was going to try to attend Indiana and Michigan conventions but now I'm not sure what is going on or when anything is happening.

As you all know, the Leadership Conference in Dayton, Ohio was cancelled.

This was a big "let down" for us in Ohio. We were going to go ALL OUT and make this one of the best ever.

I have been working a lot with our Incarcerated Chapters. They are all in the making of personal masks. Read my "Veterans in the Justice System" for further information.

Respectfully submitted,

Don Jones

Region 5 Director
